

APPLICATION FOR ZONING PERMIT

A Zoning Application is required prior to the erection or structural alteration of any building(s), structures (including signs, sheds, fences, etc.) or portion thereof, and prior to the use or change of use for a building in the Borough of National Park. Construction permits may not be issued until zoning permits have been granted.

The attached Zoning Application must be submitted for with construction permits. In the case where a construction permit is not necessary but the Zoning Permit is required, no work shall begin until the attached application has been reviewed and granted (in writing) by the Zoning Officer.

A copy of the property survey **MUST** be submitted with your application. All modifications should be drawn to scale on the survey. All proposed setbacks should be clearly identified (including the front, rear and side yards).

A fee of \$10.00 must accompany this application.
